### Guided & Self-Guided Tour Option Descriptions

#### Antique Auto Museum Tour

##### **Docent Guided Tour**

*Two hour tour*

Let one of our enthusiastic guides take you on a personalized tour of the Fountainhead Antique Auto Museum! See a remarkable collection of rare vehicles, including oddities like a 100 year-old electric car, a curious "snow flyer" and early cyclecars. You'll also learn about the rich and entertaining history of the automobile in Alaska and the unusual challenges faced by our pioneering motorists. Other interesting artifacts, including historic photographs and vintage clothing exhibits, will complement your tour.

#### Educational Learning Auto Museum Tour

##### **Docent Guided Educational School Tour**

*One hour guided & one hour self-guided*

This docent-led tour focuses on the history of the first automobiles in America. Students will explore the challenges faced by early car developers and drivers, including Alaska's pioneering motorists. The tour includes time for self-exploration and activities, such as a scavenger hunt.

Educational tours occur during non-regular museum hours with a minimum of 10 guests.

Chaperones must accompany school groups.
